on 23rd December 2020 into liquidation.

The reason for the liquidation is that client demand on this subfund was very low and is expected to be very low in the future, it is therefore a challenge to manage the Fund in a cost effective-manner.

The liquidation of the subfund's assets is carried out by the Management Company. The subfund will be closed for further creations dated 23rd December 2020. Shareholders can redeem their units until 21st December 2020 by no later than 2 p.m. CET via the market maker UniCredit Bank AG. Trading on secondary market will be discontinued as of 21st December 2020. Redemption requests received after this deadline will not be executed. After 21st December 2020 trading of the Sub-Fund will be discontinued.

The last net asset value of the Fund will be calculated and published on 04th January 2021 and is based on the valuation of the assets as of 30th December 2020.

The costs associated with the liquidation of the Fund shall be borne by the Management Company.

The liquidation proceeds are distributed to the unitholders by the custodian. Liquidation proceeds which cannot be distributed to the unitholders after the liquidation has been completed will be deposited with the Caisse de Consignations in Luxembourg. There, these amounts expire after 30 years if they are not claimed.

The valid sales prospectus together with the management and special regulations as well as the essential investor information of the subfund SI UCITS ETF - UC EURO STOXX ESG-X Minimum Variance UCITS ETF are available at the homepage of the Management Company www.structuredinvest.lu.
